

We spotlight the mushroom in all its forms...

- **Gourmet delights** : we have joined forces with the best farmers, charcuterie producers and canned food manufacturers to put together an original range of products: terrines, cooked dishes, pasta, cream soups, sauces and condiments ...
- **Arts of the table** : craft pottery, high quality table linen decorated with images of forest mushrooms ...
- **Figurines and art objects** : turned wood, stoneware, ceramics, sculptures, paintings, blown glass lamps ...
- **Bookshop** : from the beginner to the more experienced mycologist, for nature lovers, gourmets and those who like to dream of a kingdom of elves and fairies.

We are constantly on the lookout for craftsmen and women who share our aesthetic values to offer you new, exclusive creations.
